WASHINGTON, June 25 (AP)—A report that unidentified flying objects were sighted near U.S. missile sites in the Pacific Ocean area has caused a stir in the defense establishment.

The report, which was made public by the Defense Department, says that the sightings were made by a group of U.S. Navy pilots who were on a mission to investigate reports of UFOs in the area.

The report says that the sightings were made on June 15, 1952, and that the objects were seen at various points along the coast of the Pacific Ocean.

The Defense Department says that it is not sure what the objects are, but it says that they are not conventional aircraft.

The report says that the objects were seen at various points along the coast of the Pacific Ocean.

LES SAUCONNES DANS LE JARDIN

PAR M. DE LAUNAY

Un jour, un homme de la ville vint à passer par le jardin de sa tante, qui habitait à la campagne. Il vit, dans un coin, deux personnes qui se tenaient par la main, et qui semblaient se parler à voix basse. Il s'approcha et vit que c'étaient deux saucissons. Ils avaient l'air de se parler à voix basse, et de se regarder avec une certaine curiosité. L'homme se pencha et dit à l'un d'eux : « Qu'est-ce que vous me racontez ? » L'autre saucisson répondit : « C'est tout simple, nous sommes deux saucissons de la ville, et nous sommes venus ici pour nous rafraîchir. » L'homme se pencha de nouveau et dit à l'autre saucisson : « Et vous, qu'est-ce que vous me racontez ? » L'autre saucisson répondit : « C'est tout simple, nous sommes deux saucissons de la campagne, et nous sommes venus ici pour nous rafraîchir. »

WASHINGTON, (UPI) - A series of sightings of unidentified flying objects (UFOs) were reported near U.S. missile sites in Brazil, according to a report from the U.S. Air Force.

The report, which was obtained by UPI, says that the sightings took place in the state of Mato Grosso do Sul, near the town of Ponta Grossa. The sightings were reported by a group of people who were on a field trip to the area.

The report says that the sightings took place on several occasions between October 1964 and January 1965. The sightings were described as being of various shapes and sizes, and some were reported to be moving in a very unusual manner.

The U.S. Air Force is currently investigating the sightings, and has asked the Brazilian government to provide any information it may have regarding the sightings.

MANIFESTE

Le Manifeste des Saucissons de la Ville et de la Campagne

Les saucissons de la ville et de la campagne ont le plaisir de vous annoncer qu'ils ont décidé de se réunir pour discuter de leurs problèmes communs. Ils ont décidé de se réunir à Paris, le 15 mai 1965, à 14 heures, au restaurant Le Presoir, 10, rue de la Paix.

Le but de cette réunion est de discuter de la situation des saucissons en France, et de chercher des solutions à leurs problèmes. Les saucissons de la ville ont des problèmes de circulation, de pollution, et de bruit. Les saucissons de la campagne ont des problèmes de manque de services, de manque de transports, et de manque de loisirs.
